

MENA

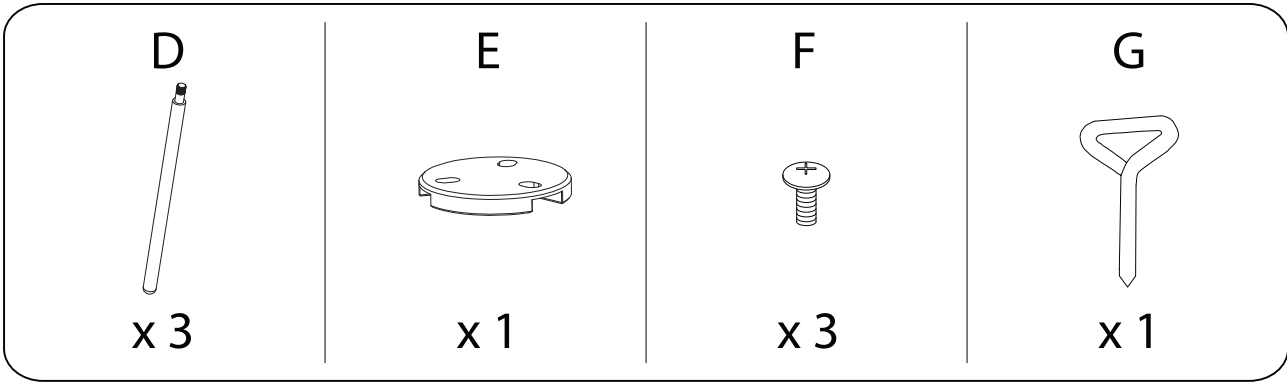

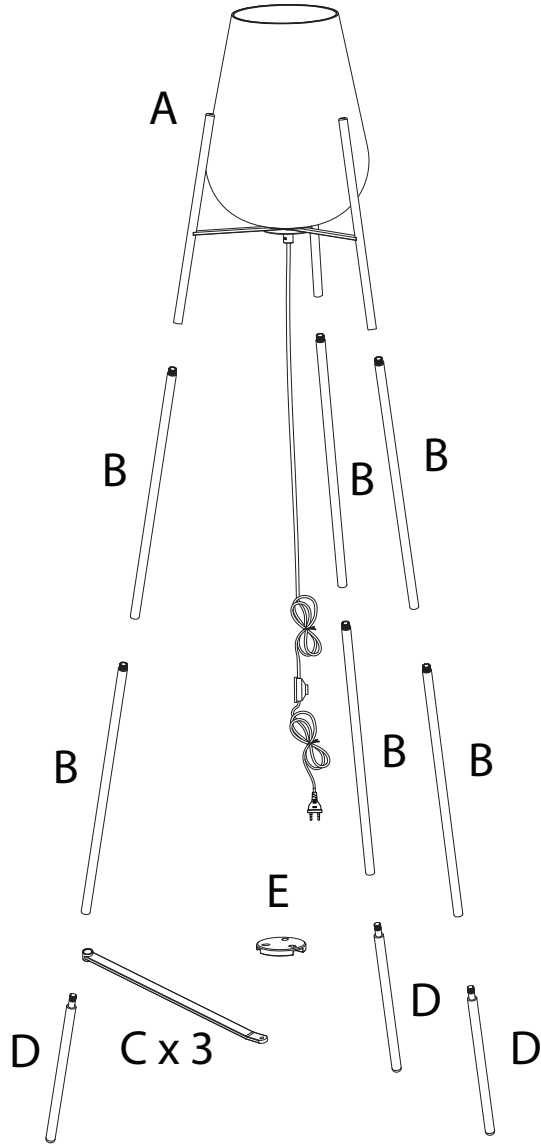

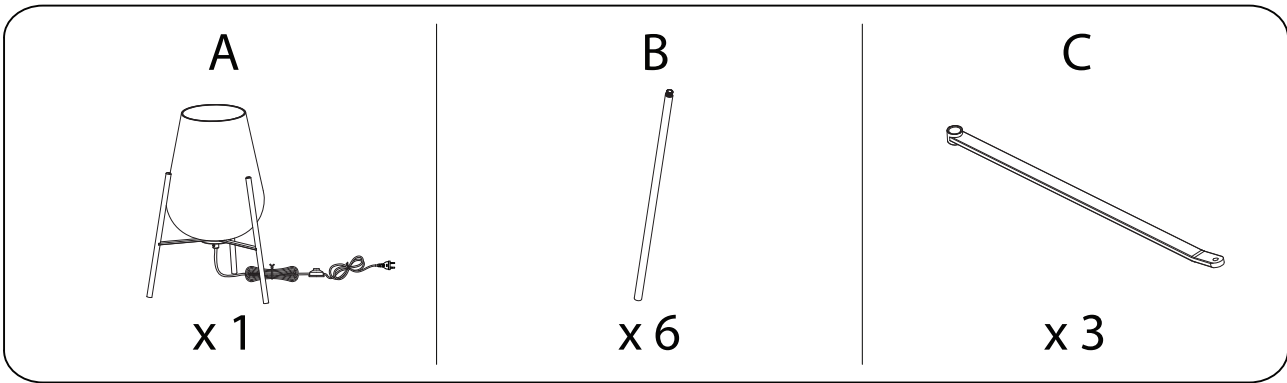

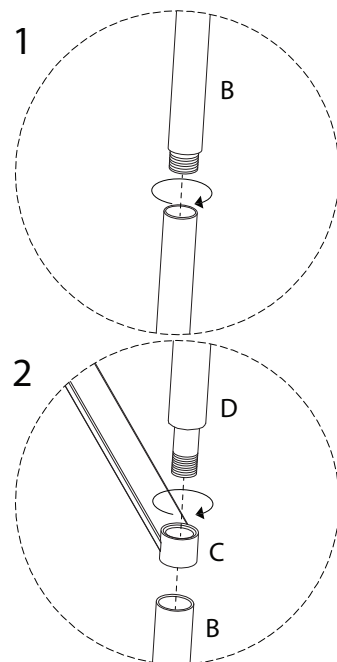

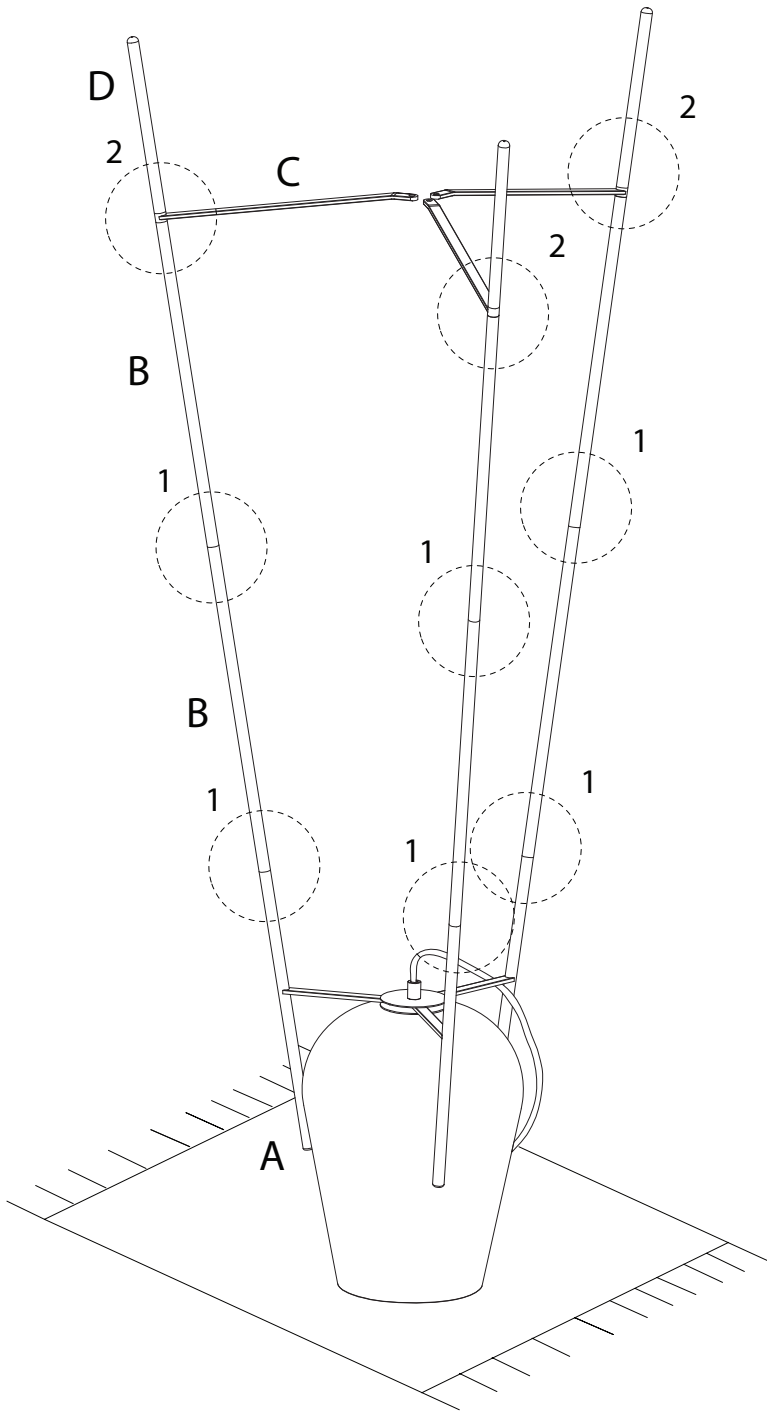

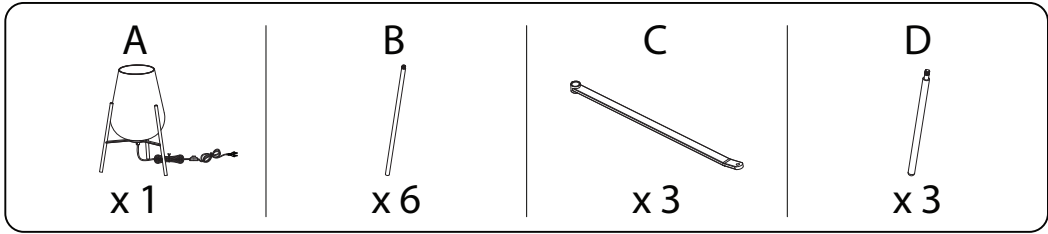

Three safety instructions are listed in a vertical column, each with a warning triangle icon to its right:

- A warning triangle with an exclamation mark. To its left is a box containing a circular icon of a keyhole and a crossed-out power drill.
- A warning triangle with an exclamation mark. To its left is a box containing a circular icon of a lightning bolt. To its right is a clock icon with the text "25'" below it.
- A warning triangle with an exclamation mark. To its left is a box containing a circular icon of a rectangular block on a surface and a crossed-out block with a downward arrow.

Below the third instruction is a person icon and the number "1".
