

International Driver C + E

About Beliani

At Beliani, we believe that happiness is within reach. That's why we offer our customers a wide selection of stylish home and garden furniture at attractive prices. We operate in 19 European markets and are constantly expanding.

For us, our motto, "Delivering Happiness," is more than just a slogan—it's part of our daily work and corporate culture. Over 800 dedicated employees work together to take on new challenges and drive our company's continued success.

Our logistics and import department currently employs approximately 60 people. Our team's goal is to ensure the optimal organisation and efficiency of international transport processes.

We have three warehouses each in Germany, Switzerland, and Poland. Our modern fleet operates throughout Europe and includes:

- 14 trucks
- 24 container trailers

- 10 isothermal trailers
- 18 delivery vans + 12 trailers
- 21 passenger cars
- 75 forklifts.

Your tasks:

- Receiving containers at the port of Hamburg
- Carrying out international transport on fixed routes:

Poland – Germany

Germany – France – Switzerland

Germany – Netherlands.

Your profile:

- Possession of a valid CE category driving license and driver card
- Confirmation of professional driver qualifications (code 95)
- Important medical examinations (psychophysical ability)
- At least 1 year of professional experience in international long-distance transport
- High level of reliability, sense of responsibility and diligence in work
- Basic knowledge of German and/or English will be an advantage.

Duties:

- Receiving containers from the port of Hamburg
- Execution of transport orders on regular international routes: Rajkowo – Germany; Germany – France – Switzerland; Germany – the Netherlands.

Requirements:

- Driving license category C+E and driver card
- Qualifications to practice as a driver (course for transporting goods, psychological tests)
- Minimum one year of experience in international transport
- Meticulousness and commitment to the implementation of tasks
- Communicative knowledge of German and/or English is welcome.

We offer:

- permanent vehicle assignment – each driver has their own truck
- modern social rooms at the Wietzendorf headquarters with full infrastructure (sanitary facilities, kitchen, laundry and drying room for work clothes).
- the driver does not load or unload – loading is performed exclusively by trained warehouse staff
- free transport to the permanent vehicle location in Wietzendorf our own workshop, ensuring fast and professional vehicle service
- only fixed, plannable routes for our Beliani client
- private health insurance and a sports and health package
- providing a company mobile phone
- attractive employee discounts on furniture products.

Work models:

- We offer flexible and easy-to-plan work and leisure models, tailored to individual needs:
 - 5 days of work / 2 days off
 - 3 weeks on / 1 week off
 - 2 months on / 1 month off.

The exact shape of the working time model is determined through consultations and takes into account both the company's requirements and the personal preferences of drivers.

Additional benefits:

- Reserved truck parking spaces via the "Bosch Truck Parking" system
- No need to look for parking spaces during tours – spaces are reserved in advance
- No need to participate in loading and unloading activities – all handling is performed by trained warehouse staff
This means much less physical strain and greater concentration on the ride itself.
- Transparent procedures and efficient route planning ensure smooth daily workflows

- Modern, well-organised logistics processes ensuring maximum predictability and work comfort.
