

Logistics Key Account Specialist

Location: Szczecin (PL)

About the company: At Beliani, we believe that happiness is within reach.

That's why we offer our clients a wide selection of designer furniture for interiors and gardens at the best prices. We operate in 19 markets, constantly expanding our reach and building a strong international presence.

Our motto is "Delivering Happiness," and it's more than just a slogan. It's a philosophy that guides us every step of the way. We care about the happiness of our clients and the fulfillment of our employees.

Beliani is, above all, a close-knit team. Over 700 friendly and talented individuals face new challenges every day, share knowledge, and strive for goals together.

If you can't wait to see new challenges and can't stand boredom, join us today and become part of the future of e-commerce!

The position combines managing relationships with logistics partners and coordinating international transport processes.

We are looking for a person to join our team who will be responsible for developing and coordinating cooperation with key logistics partners and supporting processes related to the international supply chain.

Tasks:

- Comprehensive supply chain coordination for the company's strategic partners
- Developing and acquiring new logistics partners
- Negotiating transport rates and terms of cooperation
Managing ongoing cooperation with logistics partners and transport companies
- Collaboration with warehouses and customer service to ensure smooth deliveries
- Forecasting and analysis of logistics data supporting operational processes
- Using AI tools to improve logistics processes

Our expectations:

- Very good knowledge of the language **German or English in** speech and writing (min. B2) – a necessary condition
- Highly developed communication and negotiation skills
- The ability to effectively coordinate activities between various business partners
- Knowledge of the specifics of international transport and deliveries
- Ability to work in a dynamic environment and prioritise tasks
- Independence in action and good work organisation

We offer:

- Responsible and creative work in the e-commerce industry
- Working in an international environment in a city center office
- Employment contract and attractive salary
- Working in a pleasant atmosphere in a great team
- Flexible working hours

- Full range of training and practical on-the-job training
- A clear career path in an equal work environment
- Real impact on the company's product range
- Support from an experienced team
- Private medical care, also for family members
- Sports package
- Preferential prices for furniture from our range
- Corporate and team-building events, pizza day
- Daily contact with a foreign language
- No rigid corporate structures
- A relaxed and supportive working atmosphere
