- Come up with solutions and improvements of the process

What do we expect from you?

- Proven experience in sea logistics or a related field (a strong asset)
- Understanding of logistics, transport, or international trade
- Exceptional attention to detail and a proactive problem-solving approach
- Fluent in English (B2 level or higher)
Strong organizational skills and the ability to work both independently and as part of a team
- Ambitious graduate of sea logistics/maritime faculties

What can you expect from us?

- Employment contract with a reliable employer and attractive salary conditions
- Work in an international environment in an office in the city centre
- Flexible working hours (starting between 7:00 and 10:00 a.m.)
- Full range of training and practical on-the-job training
- A clear career path in an equal working environment – we promote talents!
- Possibility of subsidised courses and training (both language and job-related once)
- Private medical care, also available for family members
- Sports package subsidised by the employer
- Company and team-building events, regular Company Pizza Day
- Guaranteed discount on Beliani.pl products.
